Objective

I am seeking a position of Certified EKG Technician or EKG Telemetry Monitoring Technician with a medical facility that puts patients first, keeps current with leading edge technology and rewards its staff for innovative ideas and dedication.

Skills and Abilities

I am vocationally trained to perform functions and procedures relating to obtaining EKG's from standard 12 lead EKG machines, ambulatory monitors, treadmill stress test and waveform interpretation. I also trained during internship to perform demographic data entry and record keeping on Kaiser Permanente's *Tracemaster* and *Health Connect* software.

Education

- Graduate of Mission Valley ROP, EKG Technician course. (8/2008 - 1/2009)
- Graduate of California School of Health Sciences, EKG Monitoring Tech. workshop. (9/2009)
- Internship at Kaiser Permanente. (11/2008 - 1/2009)
- Passed EKG Certification Examination with the highest score in my class!
- Certified Basic Life Support CPR.
